

WORKING BETTER TOGETHER ACROSS  
THE CONTENT COMMUNITY?

# WHY I JOINED...

I thought that it would be a great opportunity to network with Content Designers across the department,

Learn hints and tips or the basics of Content Design which you guys 'swear by', Rule Book or Criteria to tick off when creating my content.

# MY ROLE

Designing and delivering learning content for Microsoft Office products: SharePoint & OneDrive for Business.

# SOME OF WHAT I CREATE...

- Content for the ‘SharePoint Online’ & OneDrive for Business Intranet pages
- TechBar slides,
- Story Tellers Guide,
- Banners/Posters

# MY CONTENT DESIGN JOURNEY SO FAR....

Joined in May 2019

Create design content but where to go? Created content but did not follow style guide or colours

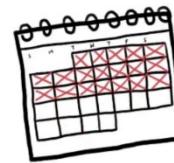

June / July

Joined the CD Community Followed DWP style guide, colour chart etc

STOP  
COLLABORATE  
& Listen

July / August

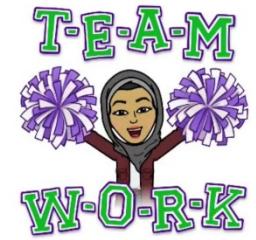

Create Intranet Pages for both OD and SP, and I am unsure if the content is correct.

Sept

Networked with the Intranet team in Newcastle (Intranet Style Guide)

Oct / Nov / Dec

Things are now in place TECHBAR slides, Banners, IRMA Conference (Presentation)

# HOW WE CAN WORK TOGETHER...

Are there any grouping channels?

Buddying system?

Some sort of a 'go to' page, (intranet groups)
